

BITTERSWEET STUDENT SKI CLUB PROGRAM

The Bittersweet Ski Club program is offered to groups of students ages 7-18. This includes High School students over the age of 18. Student Ski Club cards offer the student discounted lift tickets and rentals **after 3PM on all Saturdays, Sundays, and holidays (including December 20, 2012 through January 2, 2013; January 21, 2013; February 18, 2013)**, and 10AM-10PM during the week. Two (2) class lessons are included with each card to encourage students to improve their skiing and snowboarding techniques. **All students must be evaluated.** This policy is for the safety and enjoyment of all participants. The student's ability will determine the area they will be allowed to use. Lessons are available every hour on the hour during the times the cards are valid. Students evaluated at an intermediate level or above may choose NASTAR runs instead of lessons.

Student cards cost \$15. Replacement cards are also available for \$15. Lift tickets for club members is \$15. Ski rental is \$15, snowboard rental is \$15 and helmet rental is \$10. **Students will not receive the discounted rate if they do not have their card.**

RENTAL PROCEDURES

The student will receive a rental form at the ticket window when they pay for their lift ticket and rental equipment. (Some groups may choose to pre-sell their lift tickets and rentals and will be responsible for paying for and/or returning lift tickets and rental forms not needed.) The form will be completed by the student and given to the Rental Department. The Student Card will provide their identification. All students who rent will need to know their height, weight, and shoe size.

SPONSOR RESPONSIBILITIES

Each student will complete the Student Information sheet and turn it in to the sponsor. ALL Student Information forms must be signed by a parent, including those for students not renting equipment. The Student Information forms and payment to join the ski club are collected by the sponsor and turned in to the office at Bittersweet. Student Ski Club cards may be picked up at this time. All cards must be filled out completely by the student or sponsor. The cards will not be accepted at the ticket window unless they are completed. Additional members may be added anytime during the season through the sponsor. Cards will not be sold to individuals through the office.

We encourage sponsors to pick up lift tickets and rental forms ahead of scheduled trips. Contact the office and let us know how many you will need. You may sell your tickets and rentals ahead of time and make one payment to the office. This enables the students to spend less time in line and more time on the snow.

Season Passes: Sponsors will receive family season passes based on the number of club members (all season pass rules apply-see season pass application for rules). One family pass will be issued for each 30 members. Check with the office for additional chaperone passes and rentals on your ski club night. Ski clubs not bringing an organized group will receive a family pass for each 50 members but no additional chaperone passes will be available.
