

GYM DAY SKI PROGRAM

BITTERSWEET Ski Area offers a skiing program that is designed to provide an opportunity for students to learn a new sport as part of your Physical Education class.

For classroom use, **BITTERSWEET** will provide ski equipment for hands-on training.

The advantages of this program are:

1. It removes some of the fear about learning a new sport while having fun.
2. Fitness, agility and social development.
3. Gives students the experience of visiting a ski area and managing the process.
4. It makes the first experience on the snow more enjoyable.

On the day of your Gym/Ski Day, each student will receive a discounted rate of **\$20.00** that **includes a lift ticket, ski equipment rental and one lesson**. This is a savings of \$45.00 from the normal price of \$65.00.

Helmet rental is not subject to a discount and is available for an additional \$10.00.

Chaperones will receive one complimentary lift ticket and rental with each twenty (20) paid students. Additional adult lift tickets are \$20 and ski rental is also \$20.

This program is available from 10AM-3PM during the week only. Advanced reservations are required.

Please designate one sponsor to report to **BITTERSWEET's** office to pick up your Gym Day packet and make one lump sum payment.
